PSFA Firefighter I Approved Medical Training / CPR / AED Cards

The following examples are the most commonly submitted. The titles of the candidate's Medical Card must match a current, approved pre-requisite title listed by the Pennsylvania State Fire Academy on the PSFA Firefighter I Certification Application. If the candidate's Medical Card does not match, it will not be accepted by PSFA and thusly the candidate will not meet the pre-requisites for FFI.

PSFA Firefighter I Certification Application Excerpts

REQUIREMENT - NFPA 1001 (2019 Ed) Chapter 6, Section 6.2.1 EMERGENCY MEDICAL SERVICES

The following is a list of approved courses that meet the requirements of Chapter 6, Section 6.2.1. Each candidate **MUST** show, at minimum, an approved CPR/AED card/certificate **AND** an approved emergency medical training card/certificate. A cognitive and skills assessment for both the CPR and First Aid training courses MUST be completed as part of your course, including ALL written exams or optional written exams if applicable. All CPR courses **MUST** include Adult, Child, and Infant CPR.

Please assure the following:

- Check the EMS certification / medical training, **AND** CPR training you possess are listed below;
- Indicate issue and expiration date (i.e., Exp. Date) in the boxes provided;
- Attach copies of your course certificate or card for CPR and Medical Training. Your certificate or card **MUST** be signed where applicable in order to be valid. Copies **MUST** include front and back where applicable.
- If submitting an eCard or eCertificate, the copy provided **MUST** have an interpretable QR code or number, certificate ID, or authorization number.

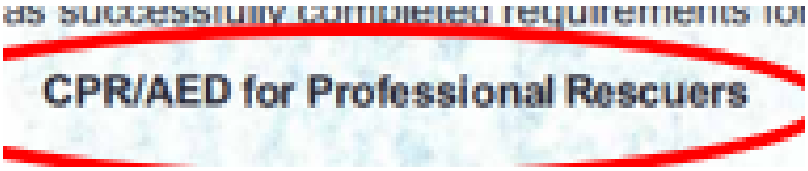
EXAMPLE

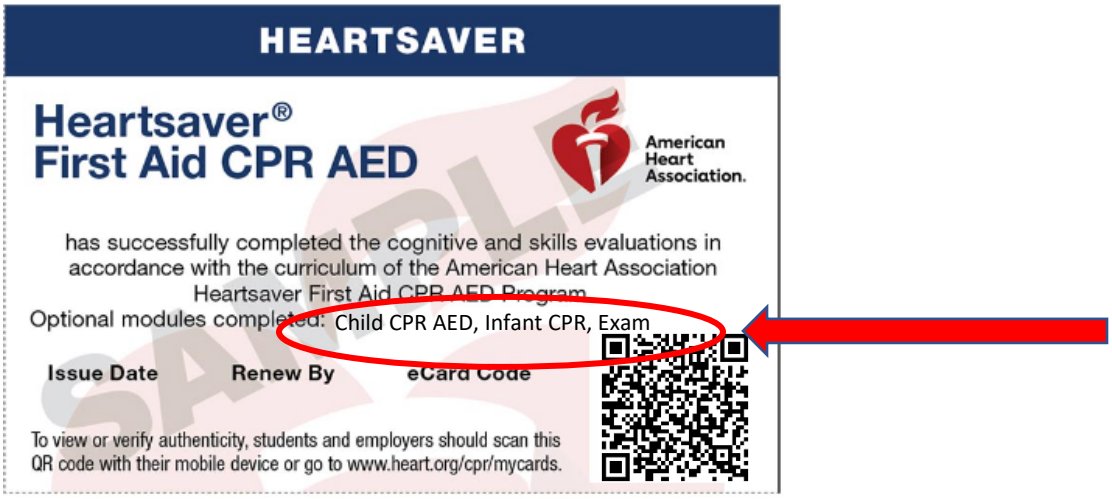
Matches



AHA Common Examples

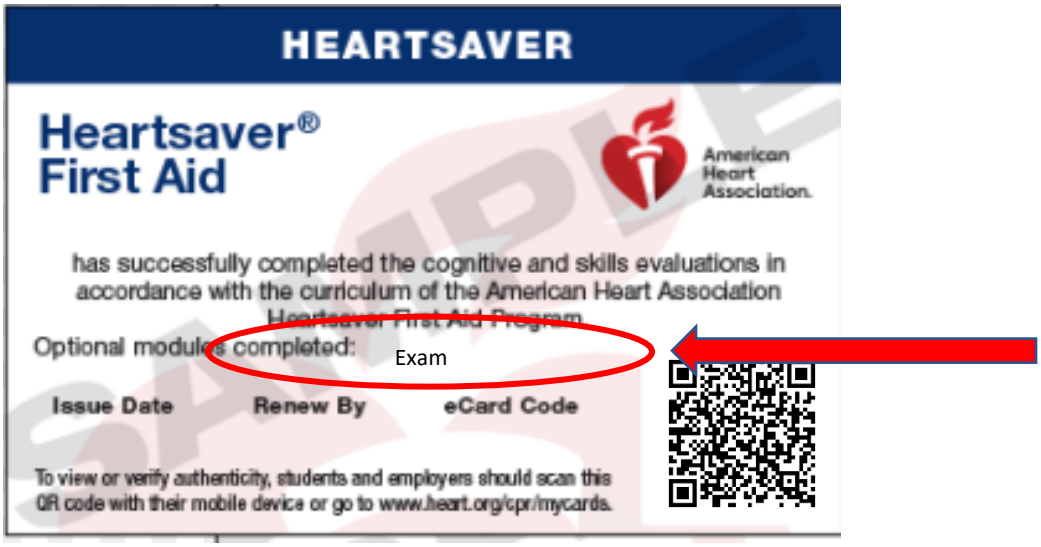
American Heart Association (AHA) Heartsaver First Aid CPR AED

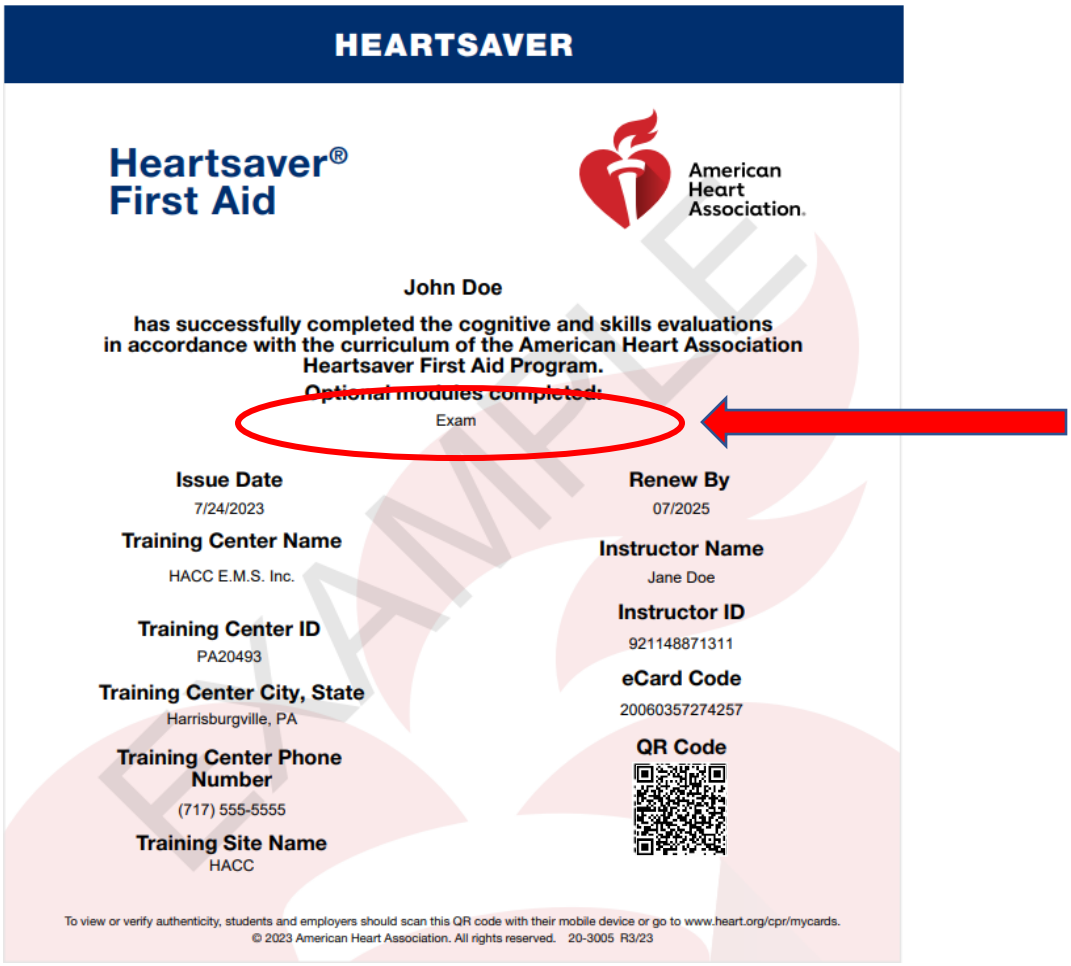
Heartsaver has a combined First Aid and CPR/AED course. This card must include the “Exam” module, the Child CPR/AED Module, and the Infant CPR Module. The Adult CPR/AED module is optional; PSFA understands the base course to imply “Adult”.



American Heart Association (AHA) Heartsaver First Aid

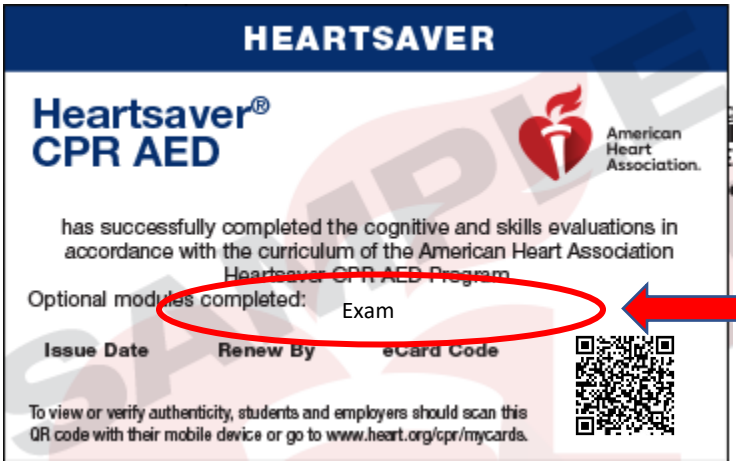
Heartsaver First Aid must include the “Exam” module.

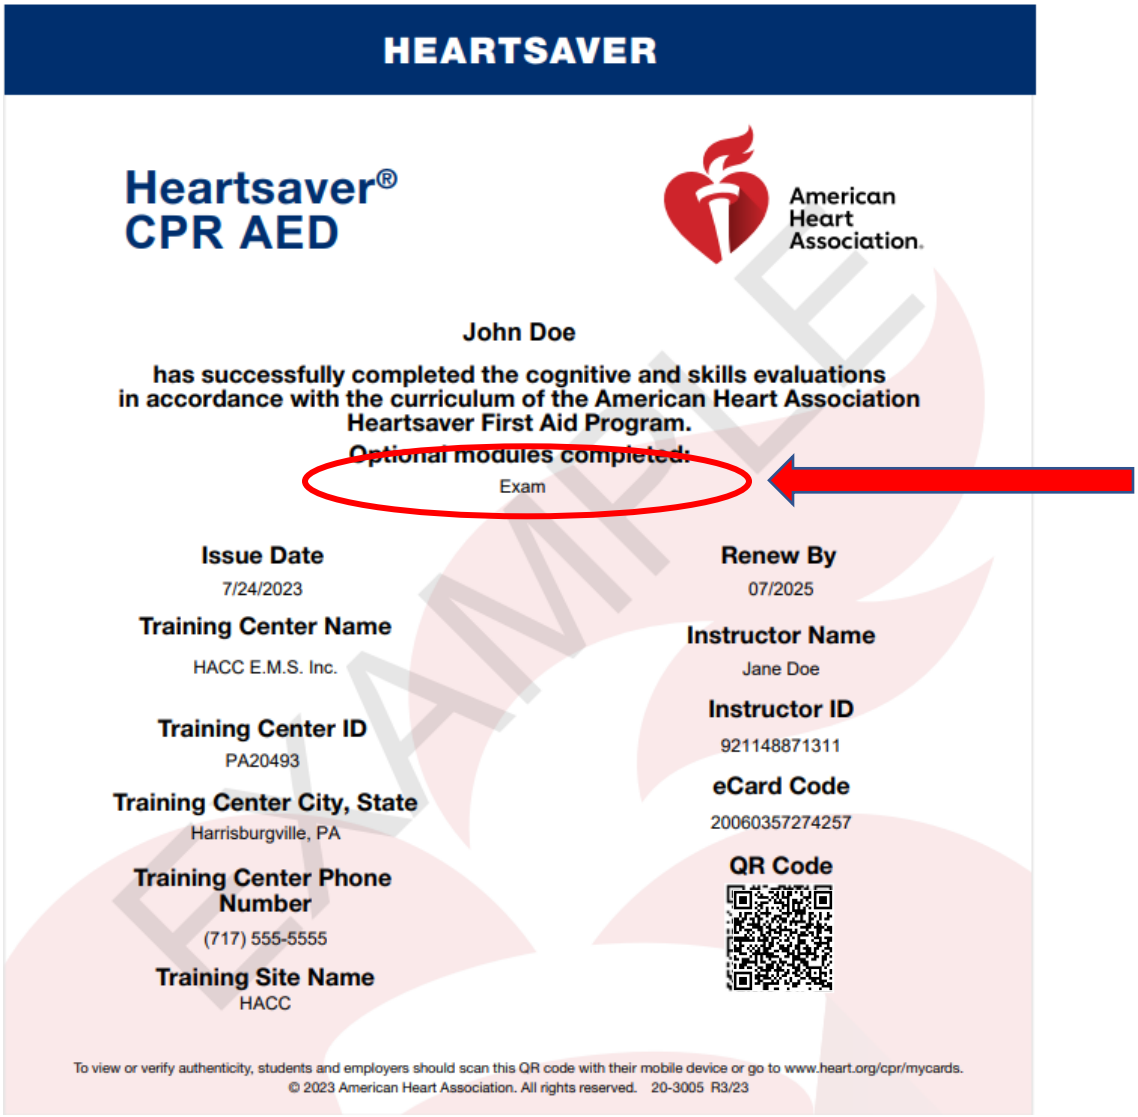




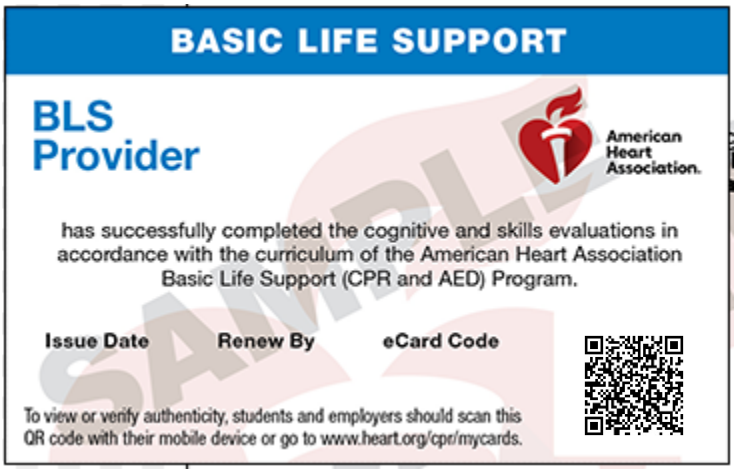
American Heart Association (AHA) Heartsaver CPR/AED

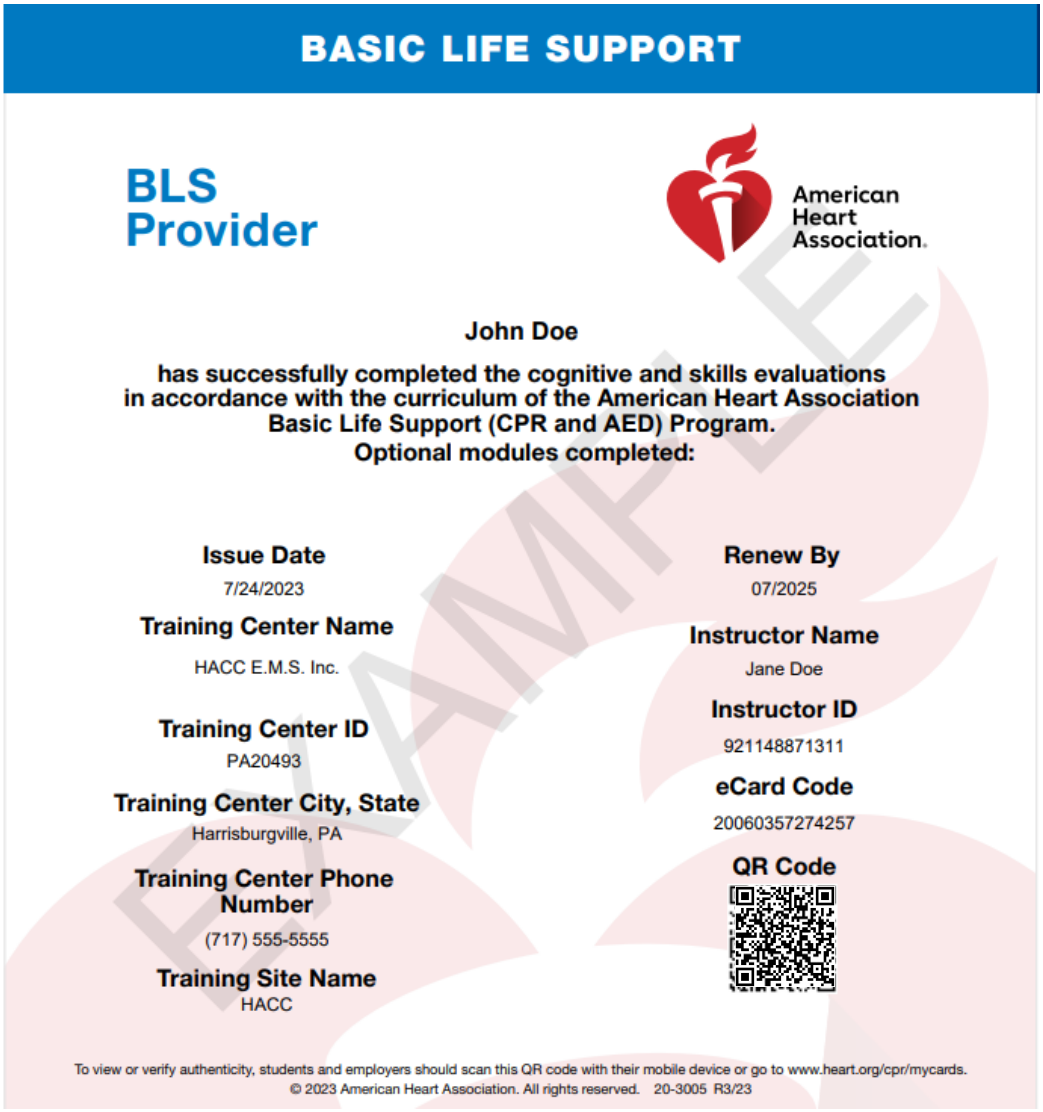
Heartsaver CPR/AED must include the “Exam” module, the Child CPR/AED Module, and the Infant CPR Module. The Adult CPR/AED module is optional; PSFA understands the base course to imply “Adult”.





American Heart Association (AHA) Heartsaver BLS





ARC Common Examples

The title of the Medical Card **MUST MATCH** what is on the application. You cannot submit an ARC CPR card entitled “Adult and Pediatric First Aid/CPR/AED”. This is not one of the ARC CPR items listed on the PSFA FFI Certification Application and that card will be denied.
